Shipwreck Island

June 19-23

This camp puts children on a “deserted island” on which they must work together to devise a means for escape! Spy Academy

9:00AM to 12:00PM

Additional supervised lunch: 12 - 1PM: \$30

Look out 007—the Mad Science spy academy is in session! Use your powers of observation to solve problems and uncover crimes. Check out security systems, cool spy equipment, and discover proper procedures that are used in real crime scene labs! Mad Science Spy Academy camp will help you sharpen your special operative skills as you learn about the secret world of espionage.
